Notice is hereby given to the shareholders of the Absorbed Sub-Fund that the board of directors of the Company (the "**Board of Directors**") has decided to undertake a merger between the Absorbed Sub-Fund and a sub-fund of the Company, *BPER International SICAV – Optimal Income*, to be created prior to the merger (the "**Receiving Sub-Fund**", together with the Absorbed Sub-Fund referred to as the "**Merging Sub-Funds**") with effect as of 1 December 2020 (the "**Effective Date**") or such later time and date as may be determined by the Board of Directors, subject to the approval of the Luxembourg supervisory authority (the "**CSSF**"), and notified to the shareholders in the Absorbed Sub-Fund in writing. In the event that the Board of Directors approves a later Effective Date, they may also make such consequential adjustments to the other elements in the timetable of the merger as they consider appropriate.

This notice describes the implications of the merger on your current shareholding in the Absorbed Sub-Fund. Please contact your financial advisor if you have any questions on the content of this notice. The merger may impact your tax situation. Shareholders should contact their tax advisor for specific tax advice in relation to the merger.

Capitalized terms not defined herein have the same meaning as in the prospectus of the Company.

1. Background and rationale for the merger

Considering the low level of assets under management of the Absorbed Sub-Fund, the non-satisfactory performance of the Absorbed Sub-Fund over the past years, and as there are currently no investor in the Receiving Sub-Fund, such merger will allow investors to expect better returns from their investment on the basis of the current track record of the Absorbed Sub-Fund and the track record of the master fund of the Receiving Sub-Fund, which is considered by the Board of Directors as being in the best interest of the shareholders of the Absorbed Sub-Fund.

2. Summary of the merger

- (i) The merger of the Absorbed Sub-Fund into the Receiving Sub-Fund shall become effective and final between the Merging Sub-Funds and vis-à-vis third parties on the Effective Date.

On the Effective Date, all assets and liabilities of the Absorbed Sub-Fund will be transferred to the Receiving Sub-Fund by way of a contribution in cash of all assets and liabilities of the Absorbed Sub-Fund into the Receiving Sub-Fund, in accordance with article 1(20)(a) of the law dated 17 December 2010 on undertakings for collective investment, as amended (the “**2010 Law**”). On implementation of the merger, the Absorbed Sub-Fund shall be dissolved without liquidation on the Effective Date. The shares of the Absorbed Sub-Fund will be cancelled having effect on the Effective Date.

(ii) No vote of the shareholders in the Absorbed Sub-Fund is required in order to carry out this merger.

(iii) The thirty (30) calendar days period for shareholders in Absorbed Sub-Fund to redeem their shares in the Absorbed Sub-Fund and consequently not participate in the merger has started running on the date of the present notice. Please see section 5 below.

No action is required to be taken on the Effective Date by shareholders of the Absorbed Sub-Fund who agree to the merger and wish to receive shares of the Receiving Sub-Fund in exchange for their shares in the Absorbed Sub-Fund. Shareholders holding shares of the Absorbed Sub-Fund on the Effective Date will automatically be issued shares of the corresponding share class of the Receiving Sub-Fund and become shareholders in the Receiving Sub-Fund in exchange for their shares in the Absorbed Sub-Fund, in accordance with the relevant share exchange ratio and participate in the results of the Receiving Sub-Fund as from such date.

(iv) Other procedural aspects of the merger are set out in section 6 below.

(v) The merger has been approved by the CSSF.

(vi) The timetable below summarises the key steps of the merger.

Notice sent to shareholders	23 October 2020
Deadline to redeem shares in the Absorbed Sub-Fund or convert to another sub-fund	24 November 2020
Effective Date	1 December 2020

3. Impact of the merger on shareholders in the Absorbed Sub-Fund

The merger will result in shareholders who hold shares of the Absorbed Sub-Fund on the Effective Date becoming, from the Effective Date, shareholders of the Receiving Sub-Fund, as demonstrated below.

Absorbed Sub-Fund	Receiving Sub-Fund
BPER International SICAV – Short Term EUR Corporates	BPER International SICAV – Optimal Income
Class P (EUR)	Class P (EUR)
Class I (EUR)	Class I (EUR)

Shareholders of the Absorbed Sub-Fund will be impacted by the merger since the investment policy, the portfolio manager and the dealing deadlines of the Absorbed Sub-

Fund are different from the Receiving Sub-Fund.

The costs of the merger will be borne in the manner set out at section 7 below.

The Board of Directors believes that the shareholders in the Absorbed Sub-Fund will benefit from the merger insofar as it will give the shareholders the possibility to take advantage of the results of the Receiving Sub-Fund. The Receiving Sub-Fund will invest at least 85% of its assets into M&G (Lux) Optimal Income Fund (the “**Master Fund**”), a sub-fund of M&G (Lux) Investment Funds 1, a Luxembourg SICAV registered under Part I of the 2010 Law. A direct investment from the shareholders into the Master Fund would have for the shareholders higher costs than the ones foreseen by means of an investment through the Receiving Sub-Fund.

Notwithstanding the terms of the prospectus of the Company, prior to the Effective Date the portfolios of the Absorbed Sub-Fund will be rebalanced and invested in cash or different types of assets in order to facilitate the merger into the Receiving Sub-Fund. The merger will result in an inflow of cash/liquid assets into the Receiving Sub-Fund which to ensure that the assets of the Absorbed Sub-Fund are compliant with the Receiving Sub-Fund’s investment policy.

The Merging Sub-Funds are sub-funds of the same entity and will therefore benefit from equivalent investor protections and rights.

A detailed schedule of the key features of and any differences and similarities between the Merging Sub-Funds as from the Effective Date is attached hereto at Appendix I.

Shareholders of the Absorbed Sub-Fund should also carefully read the description of the Receiving Sub-Fund in Appendix I and in the KIID of the Receiving Sub-Fund before making any decision in relation to the merger.

The merger will be binding on all the shareholders of the Absorbed Sub-Fund who have not exercised their right to request the redemption of their shares, free of charge, within the timeframe set out in section 5 below.

No subscription fee will be levied within the Receiving Sub-Fund as a result of the merger.

4. Criteria for valuation of assets and liabilities

The assets and liabilities of the Absorbed Sub-Fund will be valued as of the Effective Date in accordance with the provisions of the prospectus and the articles of incorporation of the Company.

The accrued income of the Absorbed Sub-Fund, for instance accounts receivables, accrued interest, and other investment related receivables, will be transferred to the Receiving Sub-Fund as part of the assets and liabilities of the Absorbed Sub-Fund. There will be no payment of accrued income to shareholders before the merger.

The net asset value of the Absorbed Sub-Fund will be reviewed by the auditors of the Company.

5. Rights of shareholders in relation to the merger

Given that the Receiving Sub-Fund will be launched on the Effective Date, each shareholder in the Absorbed Sub-Fund will receive one share of the relevant share class in the Receiving Sub-Fund in exchange for a share of the corresponding class in the

Absorbed Sub-Fund.

Shareholders of the Absorbed Sub-Fund will acquire rights as shareholders of the Receiving Sub-Fund from the Effective Date and will thus participate in any increase in the net asset value of the Receiving Sub-Fund.

Shareholders of the Absorbed Sub-Fund not agreeing with the merger are given the possibility to request the redemption of their shares in the Absorbed Sub-Fund, at the applicable net asset value, without any redemption charges (other than charges retained by the Absorbed Sub-Fund to meet disinvestment costs) during at least thirty (30) calendar days from the date of this notice.

6. Procedural aspects

i. Approval of shareholders not required

The implementation of the merger does not require the approval of the general meeting of shareholders of the Absorbed Sub-Fund. Shareholders of the Absorbed Sub-Fund not agreeing with the merger may however request the redemption of their shares, as stated under section 5 above, until 24 November 2020.

ii. Publications

The merger and its Effective Date shall be published on the central electronic platform of the Grand Duchy of Luxembourg, the *Recueil électronique des sociétés et associations (RESA)* and in the "*Luxemburger Wort*", before the Effective Date. This information shall also be made publicly available, when regulatory mandatory, in other jurisdictions where shares of the Merging Sub-Funds are distributed.

iii. Approval by competent authorities

The merger has been approved by the CSSF.

7. Costs of the merger

M&G Investment Management Limited will bear the legal, advisory and administrative costs and expenses associated with the preparation and completion of the merger.

8. Taxation

The merger of the Absorbed Sub-Fund into the Receiving Sub-Fund may have tax consequences for shareholders. Shareholders should consult their professional advisers about the consequences of this merger on their individual tax position.

9. Additional information

i. Merger reports

PricewaterhouseCoopers, Société Coopérative, the authorised auditor of the Company in respect of the merger, will prepare reports on the merger which shall include a validation of the following items:

- 2) where applicable, the cash payment per share;
- 3) the calculation method for determining the share exchange ratio; and

A copy of the report of the authorised auditor will be made available upon request and free of charge to the shareholders of the Absorbed Sub-Fund and to the CSSF on or about the Effective Date.

Please contact your financial adviser or the registered office of the Company if you have questions regarding this matter.

Yours faithfully,

The Board of Directors
